

Knights Sports!

Support the NDBG Booster Club Initiative to upgrade the school baseball field!

Baseball field

The amount of work to be done, and the contractor charge expected are listed below:

- **New Clay infield - estimate \$5,000**
- **New backstop - estimate \$9,000**

The signs are made of a weatherproof material that will withstand the elements. With a company supplied JPEG graphic the sign can display the company logo. These 3' x 6' signs will be in a high visibility area, posted on the fence line adjacent to the concession stand. The company sign could potentially be viewed by families of the 360 students who attend the school, alumni, and visiting team families alike. The advantage we have over typical fence signs for baseball and softball fields is that the location is in an area that will be viewed by football, soccer, baseball and softball fans in the Fall and Spring seasons.

Payment options for businesses:

- 1. Businesses who sign up now will invest \$300 for the school year (2009-2010) !**
- 2. Businesses can take advantage of a three year package. For an up front payment of \$600, their sign will stay up for three school years (2009-2012).**
- 3. An optional \$200 “re-investment” charge can be made for each additional year the sign is posted. This payment can be made now or in the future.**

Acknowledgement of donations forms will be available upon request.

Please fill out the information below and mail form to Notre Dame – Bishop Gibbons School, 2600 Albany Street, Schenectady, N.Y. 12304. Checks may be made out to NDBG with a “Field Fund” note on the check.
