Re: Principal Announcement

CC:

I am pleased to announce that Mr. Michael Sandore has been appointed as Principal of Notre Dame – Bishop Gibbons, effective July 1, 2009. Mr. Sandore was the top choice of the search committee and, following an interview with John Soja and myself, we recommended Mr. Sandore to Bishop Hubbard. Bishop Hubbard accepted the recommendation.

The search committee was pleased with the high quality of the applicants, including Kenneth Ille and Patrick Moran. These two candidates are valued members of the Notre Dame – Bishop Gibbons School community and will work with the new administration to strengthen Notre Dame – Bishop Gibbons for the future.

Mr. Sandore joins the Notre Dame – Bishop Gibbons School community with a strong background as an educator. His most recent position was as Superintendent in Lyncourt Union Free School District. Mr. Sandore also has many years of experience as a building principal, both at the high school and middle school. His references spoke of his strong faith and his desire to join the community of Catholic schools. Mr. and Mrs. Sandore are looking forward to relocating in Albany.
